Online confirmation # _____

Completed applications may be emailed to: cityhall@ci.shorewood.mn.us.

* Lawn sprinklers: Per MN Statute 1036.298, all landscape irrigation systems shall have installed technology that inhibits or interrupts operation of the landscape irrigation system when the ground has adequate moisture. The technology must be adjustable either by the end user or a landscape irrigation service.

NOTICE TO APPLICANTS:

Permits become null and void if work authorized therein is not commenced within 180 days of issuance, or if work is suspended or abandoned for a consecutive period of 180 days at any time after said work is commenced. It is the applicant's responsibility to call (952) 960-7900 for all required inspections with 24-hour notice.

The undersigned hereby makes application for a permit for the work herein specified, agreeing to do all work in strict accordance with City Ordinances, applicable codes, the rulings of the Building Official and, hereby declares that this application has been reviewed and that all the facts and representations stated herein are true and correct.
