Free Secure Paper Shredding Event for 2017

9 am - 12 pm, City Hall parking lot, 5755 Country Club Road, Shorewood
 see reverse side for details

Got Paper? We can help!

FREE Secure

Paper Shredding

Saturday, May 20

9 am-12 pm

Shorewood City Hall, 5755 Country Club Road

Here's how it works:

- Gather up all of your old files, tax returns, bank statements and any other secure papers you may have (newspapers and non-secure papers should be put in your recycling cart and not brought for shredding).
- Bring the items in **paper bags** or boxes to the city hall parking lot (bags will be returned)
- Cones will be set up to direct you in one driveway.
- Stay in your vehicle. Volunteers will remove your paper for the shred truck.

Know what to shred:

Although opinions differ on exactly what to shred, basically know that you should shred any documents containing signatures, account numbers, social security numbers, credit card offers, and any legal or medical information (including tax forms, checks, pay stubs, etc.). General mail, catalogs and flyers do not need to be shredded, and are better recycled curbside. Contact jmoore@ci.shorewood, 952.960.7906, with questions.

What you need to know:

- Event will close during lightning storms.
- You will drive your vehicle into our facility for the process where our staff and volunteers will unload it for you. Witnessed destruction can happen at that time, if so desired.
- Paper only. Please do not bring any 3 ring binders, plastics, trash or other non-paper items.
- **NO PLASTIC BAGS!**
- All shredded paper is baled and shipped directly to the paper mill for recycling.
- We make every effort to meet the shredding needs of residents, but if both trucks fill the event will close prior to 12 pm.
