

## Shorewood 'Art on the Walls' Program

'Society is built by imagination, not just bricks and mortar.'

Shorewood's Art Initiative seeks to promote awareness and appreciation of visual arts in the community thru:

- Juried art exhibits in City Hall featuring a different artist every two months.
- An art exhibit of Shorewood area elementary students for the month of February.

### ART DISPLAYS IN SHOREWOOD STARTING IN 2009

- 1) Appropriateness of chosen site, piece, or proposed location. Preference will be given to 2-3 dimensional art. Appropriate sculpture pieces will also be considered for indoor display. There is no opportunity for ceramics or shelf item displays at this time.
- 2) Send artwork samples (representative photographs, digital images, slides or artist websites) with completed Artist Agreement and Waiver Forms for submission. The Art Committee will select artwork for display. The Art Committee reserves the right to refuse any piece of artwork.
- 3) The displaying artist is responsible for hanging and dismantling his/her own display. **The artist must provide any needed assistance in displaying their work.** When approved, exhibit timeline for display and dismantling will be confirmed with the artist. Artwork to be hung on the wall must have attached hanging wire on the back.
- 4) The artist will provide:
  - a) An information tag for each art piece indicating the work's title, artist's name, age (if appropriate for adolescents), selling price (or NFS) and media (if desired)
  - b) An information sheet with a short biography/artist statement
  - c) List of exhibit pieces with prices (or not for sale) with artist contact information.
- 5) The display will be in place at City Hall for 1-2 months including installation and take down. Any and all purchase inquiries will be forwarded directly to the displaying artist. Sales of any displayed artwork will be handled directly with the artist.
