

Shorewood Tree Order Form

Due March 1, 2012

This offer is available only to Shorewood residents on a first-come, first-serve basis. You may order two trees per property. Tree types are limited. All trees are native species recommended for our area. If your first choice is unavailable, please mark a second and third choice in the quantity box.

Submit payment in the form of a check payable to City of Shorewood to City of Shorewood Tree Sale, 5755 Country Club Road, Shorewood, MN 55331. Orders may be mailed or delivered in person to city hall. A 24-hour drop box is located at city hall for your convenience.

Total <small>(limit two trees per property; unlimited tree guards)</small>			\$

Ordering Trees

- This offer is open to Shorewood residents only. As a first year program a very limited number of trees have been ordered and are offered on a first-come, first-serve basis. The intent of the sale is to diversify Shorewood's tree stock in an effort to reduce the effects of tree diseases such as Emerald Ash Borer and Dutch Elm Disease.
- You may order up to two trees per property.
- Orders will be processed for single family homeowners. Townhouse and association properties should contact the city for order.
- Unlike a retail nursery, these trees do not have a warranty.

Quantity of species is limited. Some trees are more popular than others. Complete one of the options below in case your selection is sold out:

If one or both of your selection is sold out, please note a second and third choice in the quantity column. You will be notified of the change by phone or email.

- If my first choice is not available, please cancel my order and mail my check back to me.

**Order form must be received by
March 1, 2012 at:**

City of Shorewood Tree Sale
5755 Country Club Road
Shorewood, MN 55331

Before you mail the order, please confirm:

- Filled out order form completely?
- Checked www.ci.shorewood.mn.us to see if selection is sold out?
- Enclosed check payable to City of Shorewood for exact amount?
- Checked your calendar to make sure someone can pick up your trees on April 27 or 28?

Introducing Shorewood's 2012 Tree Sale

In an effort to diversity the tree stock in the city, Shorewood has combined forces with the City of Minnetonka tree sale. Shorewood is a city with many ash trees, and the threat of the Emerald Ash Borer is eminent. The tree sale offers residents the opportunity to get a large, balled tree at wholesale prices. By planting trees now, the city will have established other trees before the ash borer arrives!

All trees are native species that were selected for the west metro area by an arborist. To view photos of the tree species, see the link on the city web site, www.ci.shorewood.mn.us. Because this is the first year of Shorewood's participation in the tree sale, very limited quantities were ordered. All trees are supplied on a first-come, first-serve basis. The earlier your order is received, the better your chance of getting your top selections. **Note the pick-up location is at Minnetonka Public Works.**

You will receive a postcard with your order and pick-up information after your order is received.

Please bring the postcard with you to the tree pick-up. If you have questions, please contact Julie Moore, 952.960.7906, or see the city web site, www.ci.shorewood.mn.us.

Use the chart below to determine which trees are best for your site:

Species	Initial Height	Fall color	Sun or shade?	Significant features	Mature Height	Mature Spread
Large shade trees						
Bur Oak	9'	Yellow/Brown	○	Requires very little pruning to develop strong branch structure; very adaptable tree; best wildlife tree.	60-80'	60-80'
River Birch (clump)	6'	Bright Yellow	○ ●	Golden brown exfoliating bark; clump type has multiple stems and drooping branches; can tolerate wet and dry areas.	40-50'	30-40'
Sugar Maple	8'	Yellow/Red/Orange	○ ● ●	Must keep mulched and moist soil through maturity; no heavy clay; no grass next to stem; good tree for woods; creates dense shade.	50-75'	50'
Small ornamental						
Serviceberry (clump)	4-6'	Orange/Red	● ●	Clump type has multiple stems; edible fruit for birds and humans; white flowers.	20-25'	15'
Conifer						
Balsam Fir	2-3'	Green	○ ● ●	Survives shade; fragrant needles; often used for holiday trees and greenery	60-75'	20-30'
Supplies						
Plastic Tree Guard	4'			Protect young tree stems from deer and more! Use on trees up to 3" in diameter. Not suitable for conifers or clump trees; may order unlimited quantity.		

Tree Pick-Up

Trees **MUST** be picked up on designated dates or you **forfeit the tree and the money you paid for it.** Left-over trees will be planted in Shorewood parks.

Friday, April 27, 9 am-2 pm
Saturday, April 28, 9 am-12 pm

Minnetonka Public Works, East Driveway
